

## Reception News

17.3.16

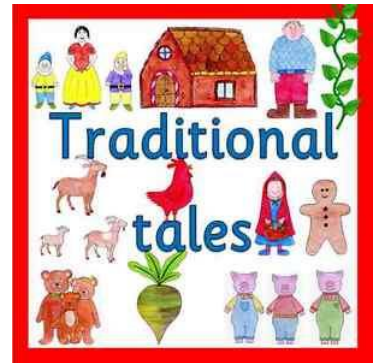

Dear Parents,

What another fun week we've had. We have been learning all about uppercase letters this week. We have been matching uppercase and lowercase letters and learning letter names. Ask your child if they can tell you the names of different letters that you see.

This was the final week of our robots topic. Next week we will be reading lots of Traditional Tales and we will even be writing our own stories. You could help your child by reading some traditional tales with them this weekend.

We have also planted our very own potatoes this week.

We have to look after them until June when they should be ready for us to eat. Keep an eye on them as they grow in our outdoor area. Please tell us if you see any shoots appearing!

Next week we would like to meet with you to give you an update on your child's

progress. These meetings can be held before or after school or during the day if necessary. Please let Mrs Burton know which time you would prefer.

Finally, don't forget to wear sports clothes and bring £1 for Sports Relief tomorrow.

Thank you all for your support,

Mrs Burton, Mrs Neil and Ms Davis
