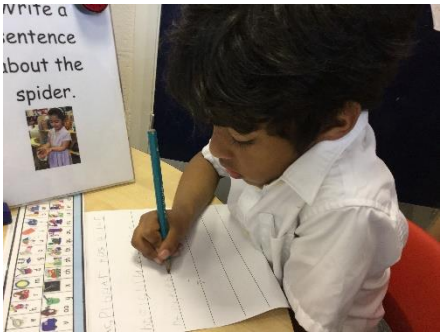
Reception News

19.5.16

Dear Parents,

What exciting news we have……..one of our butterflies has emerged from its chrysalis! Please come in and have a look for yourselves. Can your child tell you all about what has happened?

The children have continued their learning about minibeasts this week and have enjoyed searching for them in our outdoor area. How many minibeasts can you find together this weekend?



The children have also amazed us with their fabulous writing this week. They are remembering **capital letters**, **finger spaces** and **full stops**. Please practise writing simple sentences with your child at home. This will really make a huge difference to their progress in school.

Next week we will be having a big focus on writing. We will continue looking at minibeasts and we will be making books, lists and reports to tell you about our findings. Any writing practise you can do at home will really help your child with this.

In maths we will be learning all about money. The homework this week is all about exploring money.

Thank you for your support,

Mrs Burton, Mrs Neil and Ms Davis
