

Reception News

9.6.16

Dear Parents,

What a lovely week back at school we have had in Reception this week. The children have really been enjoying the sunny weather and we have loved spending lots of time outside. Please remember that if hot weather is forecast you can send sun cream and a sunhat to protect your child from the sun. Please make sure that all items are labelled with your child's name.

This week we began our new topic all about growing. We have all planted our own sunflower seeds and we are having a competition to see who can

grow the tallest sunflower. You can keep an eye on our progress in our outdoor area. We will be doing lots more planting next week and we will even try to grow our own vegetables.

As usual we will be doing lots of writing about the things that we are doing. You can continue to help your child by doing lots of reading and writing at home with them. Can they make a book with you about how to plant a sunflower? Ask them if they know what to do.

Thank you for your support,

Mrs Burton, Mrs Neil and Ms Davis
