

## Unity Community Primary School Sport Premium Plan

### Context

The government is providing additional funding through the Sports Premium Grant to improve the provision of physical education (PE) and sport in primary schools. The money is ring fenced and therefore can only be spent on provision of PE and sport in schools.

### **Unity Physical Activity Ethos:**

We recognise the contribution of PE to the physical and mental health and wellbeing of our children and families.

We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the physical and mental wellbeing which in turn contributes towards improved academic achievement.

At Unity we endeavour to deliver high quality physical education and sport, within the curriculum, at lunchtimes and after school.

During the academic year of 2017-18 we will receive a total of £xxxxx. This funding is to be spent on improving the provision of PE and Sport in schools.

The aims for spending the PE Pupil Funding:

- Professional Development of Staff for the delivery of Physical Education.
- Buying in high-quality coaching for after-school activities, enhancing the teachers and TAs knowledge and skills
- Focus on the importance of developing a healthy, active lifestyle.
- Deliver physical activity opportunities throughout the school day; playtimes, lunchtimes and the daily mile
- Funding sports equipment to encourage participation in a wider range of activities

Plans for 2017-2018

Objective	Outcome	Measure	Finance
