Please read 10 minutes with your child everyday and sign off reading record

Spellings go out on Monday for a test on Thursday

You can follow Unity on Instagram: [@unitycommunityprimary](https://www.instagram.com/unitycommunityprimary)

### Our Learning this Term

Dear Parents/Carers,

In **Literacy** this term we are using Talk 4 Write to help retell poems, stories and information texts. We will be learning a poem on diversity this term and practising retelling it with action orally. Our focus this term is letter formation, finger spaces, capital letters and full stops. We are also working on putting our phonics sessions into practice by using our sounds to spell words phonetically.

During **Maths** this term we are working on our numbers to 10. We will be looking at the value of each number and where the numbers are placed on a number line. We will be practising counting, reading and writing numbers as words.

Our new **Topic** this term is Houses and Homes. We will be comparing features of houses from the past to the present. We will be looking at how objects within the house have changed overtime with the influence of technology.

### P.E Lessons

P.E this term is every **Thursday** and **Friday**. Please ensure that your child has their P.E kit in school.

The P.E kit is a plain white t-shirt, black shorts or leggings and a pair of black trainers which can be worn as part of their school uniform. It is important your child has the correct uniform to ensure safety on the equipment.

In **Science** we are learning about the four seasons and how they differ. We will be learning about the weather and how this impacts us. We will be working scientifically to carry out different investigations on different weather and the seasons.

Please ensure your child brings their book bag into school every **Monday** so we can change their book and return them on the same day.

If you have any questions or concerns, please feel free to speak to either Miss Shields and Mrs Thelwell and Mrs Francis (**1CS**) and Miss Biddle and Mrs Hammad or Miss McDermott (**1EB**). We are always happy to support you in any way we can and are available before and after school.

The Year 1 team
