Daily for
5-10 mins**

**You can
follow Unity
on Instagram:**
[@unitycommunityprimary](https://www.instagram.com/unitycommunityprimary)

**Swimming on
Wednesday for
4FO and
Thursday for
4JK**

Our Learning this Term

Dear Parents/Carers,

Our **History** theme is The Romans where children will gain a greater knowledge of how the Roman Emperor grew, the life of a Roman soldier, battle tactics, Queen Boudicca's rebellion, as well as the Roman Legacy. In Geography, we'll be learning all about rivers and the water cycle.

In **English** we will be developing our fiction writing using the book, Coraline, to write a portal story to develop our setting and character description skills. Our non-fiction text type will include report writing and we will be creating a travel guide to a fantasy island.

In **Maths**, we will be \times and \div by 10 and 100 and learning about perimeter in our measurement unit, including finding missing lengths, working out the perimeter of rectilinear shapes, regular and irregular polygons. We will be then moving onto fractions.

In **Science** we will be learning about animals and humans and comparing their teeth and digestive systems. Additionally, we'll be learning about food chains and how animals adapt to their environments. This will involve an investigation to find out which drinks are the best for keeping teeth healthy.

Swimming: It is a compulsory part of the curriculum for Year 4 to have swimming lessons. Ours take place at Broughton Swimming Baths on a Wednesday afternoon for 4FO and Thursday morning for 4JW. (Next half term, 4JK will also have swimming on Wednesday afternoons). No jewellery to be worn on PE days and swimming days!

P.E Lessons

We will continue with our weekly PE sessions, this will be on a **Monday** morning for both Year 4 classes.

Our school PE kit is: a white t-shirt, black shorts or tracksuit bottoms and black trainers or pumps. Black trainers can be worn as part of your child's school uniform.

Please ensure you are using our termly instalments to pay for your child's trips and workshops; there are lots of exciting experiences planned!

If you have any queries, please use Class Dojo or please speak to teachers at the end of the day.

Thanks for all your continued support!

The Year 4 Team
